Section 2. Declarant as Sole Voting Member. Notwithstanding any other provision of this Declaration, Declarant shall be the sole voting Member of the Association for so long as it holds title to any Lot, or until Declarant waives, in writing, its right to be the sole voting Member. COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) monthly or annual assessments or charges, (2) initiation assessments for the start up of the Association, (3) special assessments for capital improvements and operating deficits, and (4) special assessments as provided in Article IV, Article VI, and Article VII; such assessments to be established and collected as hereinafter provided. Assessments, together with late charges costs and reasonable attorney's fees, shall be charged on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with late charges, costs, and reasonable attorney's fees, shall also be the joint and several personal obligation of each person who was the Owner of such property at the time when the assessment fell due. Each Owner shall be responsible for a portion of such expenses equal to one over the number of Units completed for occupancy.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be

used exclusively to promote the health, safety, and welfare of the residents in the Property and for the improvement, maintenance, repair, replacement, removal and demolition of Association Responsibility Elements, the Common Elements and the Living Units situated on the Property and for other purposes specifically provided herein.

Section 3. Maximum Monthly Assessments. The maximum monthly assessment shall be established by the Board of Directors at the first Regular Meeting of the Board of Directors and the assessment shall include a pro rata portion of the amount of any real estate taxes and special assessments payable by the Association. Thereafter, the maximum monthly assessment may be increased effective January 1st of each year, beginning January 1, 2017, but such increase shall not be more than twenty percent (20%) greater than the maximum assessment for the previous year for the aggregate of all items included in the monthly assessment, except for insurance, property taxes on the Common Area and reasonable reserves for repair or replacement of Association Responsibility Elements or Common Elements, without a vote of a majority of Members who are voting in person or by proxy, at a meeting duly called for this purpose. The Board of Directors shall fix the monthly assessment at an amount not in excess of the maximum.

A portion of such monthly assessments may be set aside or otherwise allocated in a separate reserve fund for the purpose of providing repair, replacement, removal and demolition of the Common Elements, the Association Responsibility Elements, or any capital improvement that the Association is required to maintain. The Board of Directors of the Association shall be responsible for establishing the funding levels required.

Once the Declarant or Association, as applicable, has given the Owners written notice of any change in the monthly assessment or any special assessment, the Declarant and Association shall not be required to submit monthly statements for assessments to any Owner. All monthly payments (and any special assessments that can be paid on a monthly basis) shall be made on the first of each month. Any special assessments that cannot be paid on a monthly basis shall be due and paid as stated in the notice of such special assessment, which due date can be no sooner than thirty (30) days after such notice is mailed to the Owners.

Section 4. Initiation Assessments, Special Assessments and Fines.

- (a) **Initiation Assessments.** The first purchaser of each Lot, other than the Developer, shall be subject to an initiation assessment for the start-up of the Association in an amount equal to two months of the monthly assessments as set by the Board of Directors payable to the Association at the time of closing of the first purchaser of each Lot. The Association may use the initiation assessment for any of the purposes set forth in this Declaration.
- (b) **Special Assessments.** In addition to the monthly assessments and initiation assessment authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement that the Association is required to maintain or for operating deficits that the Association may from time to time incur, provided that any such assessments shall have the assent of a majority of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose.
- (c) **Fines.** The Board of Directors may adopt any schedule of fines or make a determination of fines as a remedy for violation of the rules and regulations of the Association or this Declaration, then the imposition of any such fine after notice shall be a special assessment against the Owner found to be in violation and the Lot owned by such Owner.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all Members not less than five (5) days nor more than fifty (50) days in advance

of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both monthly and special assessments (except for fines) must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Monthly Assessments. The monthly assessments provided for herein shall commence as to each respective Lot on the date of conveyance to an Owner of a Lot with a completed Living Unit constructed thereon and for which a certificate of occupancy has been issued (with a pro rata portion of the monthly assessment being due from the Owner if the closing date is after the first of the month), and on the first of each month thereafter. LOTS OWNED BY THE DECLARANT THAT DO NOT HAVE COMPLETED LIVING UNITS CONSTRUCTED THEREON AND COMPLETED LIVING UNITS OWNED BY THE DECLARANT THAT ARE NOT SOLD, LEASED OR OCCUPIED OR THAT ARE USED AS MODEL UNITS OR SALES OFFICES SHALL BE EXEMPT FROM THE ASSESSMENTS DESCRIBED IN THIS ARTICLE IV AND THE ASSESSMENTS DESCRIBED IN ARTICLE VII. The maintenance responsibilities of the Association as to each Lot shall commence concurrently with the commencement of monthly assessments. The insurance assessment provided for in Article VII shall commence as to each Lot on the date of conveyance of said Lot to an Owner (with a pro rata portion thereof for the first month if the closing date is after the first of the month). The Board of Directors shall fix any increase in the amount of the monthly assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Directors shall deem appropriate shall be sent to every Owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments. Any assessments not paid within fifteen (15) days of the due date may be assessed a late fee, in such amount to be determined annually by the Board of Directors (the "Late Fee"). Any such Late Fee on a delinquent payment shall also be part of the assessment against the Lot and subject to the lien for assessments created by this Declaration. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in the manner provided for foreclosure of a mortgage, or both, and there shall be added to the amount of such assessment all cost and expenses incurred by the Association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Elements or abandonment of the Owner's Lot. In addition to the Late Fee, the Association may charge any Owner a fee for any returned check or electronic payment, in an amount to be determined by the Board of Directors.

Section 9. Subordination of Assessments Liens. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment, any late fees, interest, and administrative fee shall be paid prior to or at the closing of sale or transfer of any Lot. The sale or transfer of any Lot shall not terminate the assessment lien against such Lot; provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments against such Lot that became due prior to the date of such sale or transfer.

ARTICLE V

Declarant is irrevocably and perpetually empowered, notwithstanding any use restrictions or other provisions hereof to the contrary, to sell, lease, or rent Living Units not previously sold by the Declarant to any person and shall have the right to transact on the Property any business relating to construction, sale, lease, or rental of such Living Units and any recreation facilities including, but not limited to, the right to maintain models, offices signs, employees, and equipment and materials on the premises, and to use the Common Elements to show such Living Units. Declarant retains the right to be and remain the Owner of completed but unsold Living Units under the same terms and conditions as other Owners including membership in the Association save for its right to sell, rent or lease. Any such lease shall be in writing and remain subject to this Declaration, the Bylaws and any rules or regulations adopted from time to time by the Board.

Declarant reserves the right and is hereby vested with the sole control over all Common Area or Common Element landscaping, plantings and the like. Declarant shall have the right to change landscaping within these areas from time to time.

The rights of Declarant shall continue until the earlier of either occurrence: (1) the Declarant relinquishes its rights hereunder or (2) Declarant turns the Association over to the Owners, which shall be attempted by holding a **turnover meeting within 120 days after Declarant no longer retains ownership of any Property**. In the event the Owners do not accept turnover of the Association at the turnover meeting, Declarant may maintain, at its discretion, its rights under this Declaration until such time as the Owners accept turnover at a meeting.

ARTICLE VI
MAINTENANCE

Section 1. Maintenance by Owners. Each Owner shall keep and maintain that Owner's Building and other improvements located on that Owner's Lot in good repair and in a neat and attractive condition. The minimum but not exclusive standard for maintenance of the improvements shall be consistent with the approved plan therefore and with the general appearance of the other occupied improvements in the Property as a whole when initially constructed and improved (taking into account, however, normal weathering and fading of exterior finishes, but not to the point of unsightliness).

The maintenance obligation of each Owner of a Villa Lot (also referred to as "Villa Owner") as to building improvements shall include, without limitation, maintenance of all exterior surfaces and roofs, including but not limited to facias and soffits, awnings, trellises, decorative facades, screens, the heating and air conditioning systems, windows and doors, including any egress window and the surrounding pea gravel, window wells and drains, driveways, and the sidewalk leading from the driveway to the Living Unit. The Owner of such Living Unit shall be responsible to make all other repairs or replacements of any damage or destruction to such Living Unit. In the event that, after the Association has completed its repairs and replacements to the Living Unit, the Owner of the Living Unit does not promptly repair or replace damaged windows and exterior doors so as to make the Living Unit weather tight, secure and free from nuisance, then the Association may, but it is not required to, repair or replace such damaged windows and exterior doors in the name of the Owner of such Living Unit and the cost of such repair or replacement of damaged windows and exterior doors shall be added to and become a part of the assessments to which such Lot is subject.

In the event that the Owner of the Living Unit does not promptly repair or replace the Living Unit as to make the Living Unit weather tight, secure and free from nuisance, then the Association may, but it is not required to, repair or replace such Living Unit in the name of the Owner of such Living Unit and the cost of such repair or

replacement shall be added to and become a part of the assessments to which such Lot is subject.

Any repair or replacement of an exterior structure, improvement, or equipment (including, without limitation, electrical fixtures) shall match or be substantially similar to the original item that it repairs or replaces. All exterior structures, improvements and equipment (including, without limitation, decks and fences) shall be constructed in accordance with local ordinances and building codes.

Section 2. Maintenance of Driveways and Private Streets. The Association shall be responsible for the maintenance, including snow removal, repair, and repaving of all Private streets, the private sidewalks appurtenant to each Lot and the public sidewalks abutting the Property, excluding that portion of the sidewalk or pedestrian walkway leading from the driveway to the front entrance of any Living Unit and excluding any stoops located at entrances of any Living Units, constructed or to be constructed within the Property by Declarant for the benefit of all Owners of Lots. The Association shall also be responsible for snow removal from all driveways. The Owner of a Living Unit shall be responsible for the management of and any and all costs relating to the maintenance, repair, and repaving of the driveway upon their respective lot, as well as that portion of the sidewalk or pedestrian walkway leading from the driveway to the front entrance of any Living Unit. The driveways and the Private Streets shall be maintained at all times in such manner as to provide ingress and egress, both pedestrian and vehicular, from each Lot to and from a public street or highway. The specification for replacement of any driveways, the Private Streets, walkways or sidewalks shall be determined by the Board of Directors, or by an architectural committee composed of three (3) or more representatives appointed by the Board of Directors.

Section 3. Maintenance Obligations of Association. In addition to maintenance upon the Private Streets, sidewalks, wrought iron fences, excluding fences installed by any Owner, irrigation system and street and park lights, the Association shall provide all maintenance, repair or replacement of the Association Responsibility Elements and Common Elements, including but not limited to maintenance upon each Lot that is subject to assessment hereunder as follows: lawns (but excluding any gardens, plants, flowers, shrubs, or trees and excluding stoops, patios, balconies and decks), trash removal and snow removal from the paved portions of the driveway (but excluding the stoops located at the entrances of any Living Unit) and, with regard to the Townhomes, paint, repair, replacement and care for roofs, gutters, downspouts, exterior building surfaces and other exterior improvements. In the case of lawns, shrubs, trees, and other elements of landscaping within Common Areas, the Association shall perform all necessary repairs, replacements, and maintenance thereof in a manner consistent with the level of maturity and development of the landscaping at the time that the repair, replacement, or maintenance activity occurs, except in the case of dead, mature trees, which will simply be removed. In any berm area of the development, the Association shall plant and maintain the berm area in a fashion that satisfies applicable zoning requirements. With regard to the Townhomes, the Association shall paint the exterior building surfaces of all Association Responsibility Elements and Common Elements and the exterior of all entrance doors into Living Units and porch rails that require paint when the Board of Directors determines such painting is needed to maintain the same. Such exterior maintenance shall not include glass surfaces, doors and doorways, windows, and window frames, or the operability of any garage doors.

Section 4. Responsibility for Willful or Negligent Acts. In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessments to which such Lot is subject.

ARTICLE VII **INSURANCE**

Section 1. Casualty Insurance. The Association shall purchase a master casualty insurance policy

or policies affording property special form coverage insurance for the Association Responsibility Elements in an amount consonant with the full replacement value of any and all such Association Responsibility Elements, including additional coverage for the Association Responsibility Elements related to the Townhomes. The Association shall be responsible for reviewing at least annually the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above. If deemed advisable by the Association, it may cause such full replacement value to be determined by a qualified appraiser and the cost of any such appraisal shall be included in the monthly maintenance assessment for each Lot on a pro rata basis. Such insurance coverage shall be for the benefit of the Association, each Owner, and, if applicable, the first mortgagee of each Lot.

Such master casualty insurance policy shall (to the extent the same are obtainable) contain provision that the insurer (a) waives its right to subrogation as to any claim against the Association, its Board of Directors, its agents and employees, Owners, their respective agents and guests, and (b) waives any defense against invalidity based upon the acts of the insured; and providing further, if the Board of Directors is able to obtain such insurance upon reasonable terms, that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by individual Owners as hereinafter permitted.

Section 2. Liability Insurance. The Association shall also purchase a master commercial general liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time, but in any event not less than a minimum limit of liability of \$1,000,000.00 combined single limit per occurrence for bodily injury and property damage, \$1,000,000.00 per person for personal injury and advertising injury, \$50,000.00 per fire for fire damage, and \$1,000,000 for non-owned and hired automobiles, together with an aggregate for the preceding coverages of \$2,000,000.00 per policy for bodily injury and property damage. The Association shall also purchase an umbrella insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time, but in any event not less than \$1,000,000 over the preceding liability insurance coverages. Such commercial general liability and umbrella insurance policies shall cover the Association, its Board of Directors, any committee or organization of the Association or Board of Directors, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association, all Owners and all other persons entitled to occupy any Lot.

The Association may obtain and maintain fidelity coverage to protect against dishonest acts on the part of officers, directors, trustees and employees of the Association. The Association shall obtain any other insurance required by law to be maintained, including but not limited to, worker's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate, including, but not limited to, directors and officers liability insurance. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, its Board of Directors and any managing agent acting on behalf of the Association. Each Owner shall be deemed to have delegated to the Board of Directors the Owner's right to adjust with the insurance companies all losses under policies purchased by the Association.

Section 3. Monthly Assessment for Insurance. The premiums for all such insurance hereinabove described shall be paid by the Association and the pro rata cost thereof shall become a part of the monthly assessment described in Article N, Sections 3 and 4 herein, to which each Lot conveyed by Declarant shall be subject under the terms and provisions of Article VII, except that the Association Responsibility Elements relevant exclusively to the Townhomes will only be allocated to the Townhome Lots. When any such policy of insurance hereinabove described has been obtained by or on behalf of the Association, written notice of the obtainment thereof and of any subsequent changes therein or termination thereof shall be promptly furnished to each Owner or Mortgagee whose interest may be affected thereby, which notice shall be furnished by the officer of the Association who is required to send notices of meetings of the Association.

Section 4. Distribution to Mortgagee. In no event shall any distribution of proceeds be made by

the Board of Directors directly to an Owner where there is a mortgagee endorsement on the certificate of insurance. In such event, any remittances shall be to the Owner and the Owner's mortgagee jointly, or in accordance with the terms of any endorsement in favor of said mortgagee.

Section 5. Additional Insurance. Each Owner shall be solely responsible for and should obtain such additional insurance as such Owner deems necessary or desirable at the Owner's own expense affording coverage upon the Owner's personal property, the contents of the Owner's Living Unit, and all components of the Living Unit not included in the Association Responsibility Elements (including, but not limited to, the full replacement value of the residential unit for the Villas, all floor, ceiling and wall coverings and fixtures, betterments and improvements) and the Owner's personal property stored elsewhere on the Properties, and for the Owner's personal liability, but all such insurance shall contain the same provisions for waiver of subrogation as referred to in the foregoing provisions for the master casualty insurance policy to be obtained by the Association. Each Owner may obtain casualty insurance at the Owner's own expense upon the Owner's Lot but such insurance shall provide that it shall be without contribution as against the casualty insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of the proceeds which would otherwise be payable on the insurance purchased by the Association pursuant to this paragraph due to proration of insurance purchased by an Owner under this paragraph, the Owner agrees to assign the proceeds of this latter insurance, to the extent of the amount of such reduction, to the Association to be distributed as herein provided.

Section 6. Casualty and Restoration. Damage to or destruction of the Association Responsibility Elements or Common Elements of any Building due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose. If for any reason the Association chooses not to repair or reconstruct any Association Responsibility Elements or Common Elements of any Building damaged or destroyed by fire or other casualty, the Owner(s) of the affected Lots shall have the right, but not the obligation, to perform such repair or reconstruction and to collect the cost thereof from the Association. The Owner(s) of any Building damaged or destroyed due to fire or any other casualty shall repair or reconstruct all other portions of such Building (other than the Association Responsibility Elements or Common Elements) and shall be entitled to use the proceeds of such Owner's insurance for that purpose.

Section 7. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area or Common Elements or any Association Responsibility Elements of any Building or Buildings so damaged or destroyed (or the cost thereof in excess of insurance proceeds received, if any) shall be paid by the Association, which shall then have the right to levy a special assessment against all Lots for such deficiency.

For the purpose of Section 6 above, repair, reconstruction and restoration shall mean construction or rebuilding of any Building or Buildings to as near as possible the same condition as it existed immediately prior to the damage or destruction and with the same or similar type of architecture.

Section 8. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds collectible from the Association's insurance after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Property. The action of the Board of Directors in proceeding to repair or reconstruct damages shall not constitute a waiver of any rights against Owner for committing willful or malicious damage.

Section 1. Drainage, Utility and Sewer Easements. As noted on the Plat, Declarant has reserved certain areas of the Lots and Common Area for public or private utility, sanitary sewer and water main line easements. In doing so, it is the intention of Declarant to provide the needed flexibility to itself, for the benefit of all Lots and Owners, to properly install and allow to be maintained and read all electrical, telephone, water, gas, sewer and other utility services (including all lines, pipes, wires, cables, ducts, waterways, etc.) to the Living Units constructed on various Lots. No other improvements or permanent structures (excluding walkways, driveways and fences) shall be placed within such utility easements and any fences so installed shall be and are expressly subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of any public or private utility to construct, maintain, repair or remove any necessary facilities and the right of Declarant and the Association to provide for and maintain appropriate drainage. Regardless of whether shown on the recorded plat, each Lot shall accept surface water drainage from adjacent properties whether or not located within the Property and each Lot shall have the right to drain its surface water to the adjacent Lots located within the Property.

- i. Retrieval of golf balls, including the right to enter on any Lot for that purpose, provided the right to retrieve golf balls shall only extend to non-enclosed portions of the Lots, and the person retrieving the golf balls shall do so in a reasonable manner and the owner of the Golf Course Property will repair any damage caused by entry onto the Lot to retrieve the golf ball; provided that no play of such golf balls shall be allowed from outside of the Golf Course Property boundary;

All exterior lighting for the driving range shall be directed downwards and away from adjacent residential housing so as to minimize the impact on such residential housing and shall be in compliance with all applicable governmental requirements and all requirements established by Declarant so long as Declarant owns a Lot and after Declarant no longer owns a Lot then as established by the Association;

- (b) Damage by Errant Golf Balls. The Owners acknowledge and agree that the existence of a golf course on the Golf Course Property is beneficial and highly desirable; however, each such Owner acknowledges and agrees that Lots located adjacent to the Golf Course Property shall be subject to the risk of damage or injury due to errant golf balls. The Owner of each Lot, their successors and assigns, hereby assumes the risk of damage and injury to persons and property and hereby releases Declarant and the owner of the Golf Course Property and their successors and assigns, from any and all liability for damage or injury caused to persons or property by errant golf balls, in, or around the Property. The above releases shall not be construed to extend to the release of the golfer who actually hits the errant golf balls.
- (c) Fencing and Building Restrictions. No owner of land within the Property shall construct a fence or enclosure located along or next to the boundary lines between the Golf Course Property and The Greens at Woodland Hills Villas, except in compliance with the fence criterion set forth in this Declaration.

No Owner of a Lot shall have any rights in or to the Golf Course Property or any other amenities located on the Golf Course Property, or any recreational activities occurring thereon, including, but not limited to, rights of membership in or to the golf course on the Golf Course Property, or right of access to or across the Golf Course Property, unless such right or rights have been granted or conveyed in writing by the owner of the Golf Course Property or its successors and assigns. Rights to use the recreational facilities located on the Golf Course Property shall be on such terms and conditions as may be promulgated from time to time by the owner of the Golf Course Property. Additionally, the owner of the Golf Course Property, its successors and assigns, have the right, without notice or warning, to plant, remove or trim trees or bushes on the Golf Course Property as it deems advisable, in its sole and absolute discretion.

Section 3. Additional Easement Rights. Declarant reserves unto itself, for the benefit of all Lots and Owners, an easement and full right, title and authority to relocate, alter or otherwise change the location of any drainage, utility, sewer and water easement and to grant such further easements, licenses and rights of way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress, egress, utility and similar purposes on or within any Lot or Lots or any portion of the Property. Declarant further reserves the right to more specifically describe or to change the description of any such drainage, utility, sewer and water easement, or other easement, license or right of way by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder for Polk County, Iowa, and any Owner of any Lot shall take title subject to the rights and easements reserved herein; provided, however, the rights reserved in this Section 2 shall not be exercised in a manner which unreasonably and adversely affects any Building or portion thereof located upon any Lot or any Owner's use or enjoyment thereof or which unreasonably restricts the rights of ingress or egress to any Lot. The rights and easements reserved by Declarant in this Section 2 shall run with the land and Declarant's right to further alter or grant easements shall automatically transfer to the Association when Declarant shall have conveyed the last Lot within the Property.

Section 4. Easement for Access and Maintenance. An exclusive easement is hereby reserved and granted for the benefit of each Lot over, under, through and across the fenced portion of the Common Area appurtenant to such Lot for the closed loop wells for any ground source heat pump that serves such Living Unit.

An easement is hereby reserved and granted for the benefit of each Lot over, under, through and across the fenced portion of the Common Area appurtenant to such Lot for the Owner of such Lot to plant annual or perennial flowers, but not shrubs or trees, in any flower box on such Living Unit and in the grassy portion of such Lot.

An exclusive easement is hereby reserved and granted for the benefit of each Lot over, under, through and across any fenced portion of the Common Area appurtenant to such Lot for the Owner and occupants of the Living Unit on such Lot to use for their own recreation, but subject to such rules and regulations as the Association may from time to time adopt and apply generally to the Owners and occupants of all Living Units.

- (b) The easements, if any, are subject to the following conditions:

Subject to the provisions of Article VIII, Section 5, above, the paved driveway in front of each Owner's garage shall be for the exclusive benefit of such Owner and Owner's guests. No one shall use these parking spaces for parking or storing of boats, snowmobiles, trailers, camping vehicles or other recreational vehicles or for parking of trucks or other commercial vehicles, except temporarily or incidentally for the making of pickup and deliveries to neighboring Lots or for the period of time reasonably necessary to load or unload such boat, trailer, camping vehicle or recreational vehicle. Section 2. Sharing of Repair and Maintenance. The Association shall be responsible for repair and maintenance of the part of the party wall that is an Association Responsibility Element and for so long as it has such responsibility, then the provisions of the remainder of this Section and Sections 3 and 4 of this Article shall not apply; however, in the event that the Association no longer exists or has responsibility for repair and maintenance of the party wall, then the costs of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use and the provisions of Sections 3 and 4 of this Article shall apply.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

The Board may require that all leases include certain restrictions including, but not limited to, window coverings and the placement of signs or other materials in windows.

ARTICLE XIII

Section 1. Encroachment. If, by reason of the location, construction, settling, or shifting of a building, any part of a Building consisting of a Living Unit appurtenant to a Lot (hereinafter in this Article XIII referred to as the "Encroaching Unit") encroaches upon any minor portion of any other adjacent Lot or on the Common Area, then in such event, an exclusive easement shall be deemed to exist and run to the Owner of the Encroaching Unit for the maintenance, use and enjoyment of the Encroaching Unit and all appurtenances thereto, for the period during which the encroachment exists.

Section 2. Easements. Each Owner shall have an easement in common with each other Owner to use all pipes, wires, ducts, cables, conduits, utility lines and other common facilities located in or on any other Lot or Living Unit and serving Owner's Lot.

ARTICLE XIV

Section 2. No animals, livestock or poultry of any kind shall be raised, bred, or kept on any Lot, except that pets, specifically dogs, cats, fish and birds may be kept, provided they are not kept, bred or maintained for commercial purposes and the Owner complies with the restrictions set forth in this Section 2. Owners shall not keep more than two (2) dogs, or two (2) cats, or one (1) of each a dog and a cat at one time

on the Lot. There shall be no weight restrictions on the pets. Any breeds that have been determined by local municipal, county and state laws, regulations, or ordinances to constitute dangerous breeds, or animals that endanger the health, make objectionable noise, or constitute a nuisance or inconvenience to other Owners in the sole discretion of the Board shall not be kept on any Lot. Any person owning or keeping a pet shall be responsible for the care and control of, and shall at all times clean up any waste or excrement from such pets on the Commons Areas and Common Elements. Failure to do so in a prompt or responsible manner shall result in a fine or special assessment by the Association against such Lot on which such pet is kept. Dogs shall be kept on a leash or otherwise confined whenever outside a residence or enclosed portion of the Lot and Owners shall bear full responsibility for animals not under leash. No animal shall be chained or otherwise restrained outside or in the garage. Outside pens or dog runs may be allowed if approved in writing by the Board of Directors, in its sole discretion. Please refer to Article II, Section 2.04g for guidelines.

Any complaint shall be brought before the Board, which shall have the right to prohibit them from continued habitation on the Lot if further complaints occur. The Association may, by rules and regulations, prohibit or further limit the raising, breeding or keeping on any Lot, front lot or rear lot of any pet.

Section 3. No noxious or offensive activities not involving the maintenance of Lots shall be carried on upon any Lot nor shall anything be done thereon that may be or may become an annoyance or a nuisance to the neighborhood; nor shall any Lot be used for any unlawful purpose. Nor shall any Owner cause, or suffer or harbor the source of, any noise or activity that disturbs the peace, comfort and quiet enjoyment of the other Owners or those claiming under or through other Owners.

Section 4. The Owner of each Lot shall keep the same free of weeds and debris. Owners shall be permitted to plant flowers along the back of the townhome within three (3) feet of the foundation. Owners who choose to plant flowers are required to maintain an acceptable appearance as determined by the Board of Directors. Owners will also be allowed to plant trees and shrubs on their Lot provided written approval is secured from the Association as to the type and location of such planting. Any plantings must consider accessibility of mowers and yard maintenance equipment of the contractors who will be hired by the Association.

Section 5. No trash receptacles and garbage cans shall be permitted to be placed outside of a building or a structure on any Lot. This restriction shall not preclude the placement of waste containers outside of such area on a temporary basis if so required by governmental regulation or terms of contract with a commercial waste collector, on trash pickup days only and not more than twenty-four (24) hours in advance of pickup. If Polk County does not provide pickup service, then the Owners, individually or collectively, shall contract with only one (1) private trash removal service that is designated by the Board of Directors.

Section 6. No temporary structure, trailer, basement, tent, shack, garage, barn or other building shall be used on any Lot at any time as a residence, either temporarily or permanently.

Section 7. No tower, or television or radio antennae, satellite dish or flag pole shall be placed upon the exterior of a Lot or Living Unit, except that one satellite dish may be placed on each Building containing a villa or set of townhomes with the prior written approval of the Board of Directors. The satellite dishes or parabolic devices shall be mounted on the rear elevation or the rear half of the side elevation only. In no event shall a satellite dish or parabolic device be mounted on the front elevation or the front half of a side elevation. Satellite dishes or parabolic devices in excess of 30" in diameter used to receive television or other signals from satellites are not permitted. In the event of a violation of this provision, the Association may, after reasonable notice, remove such satellite dish or parabolic device, at the sole cost and expense of Owner, including the cost of any storage.

Section 8. No basketball goal (whether attached to the exterior of a Living Unit or affixed to a free-standing pole), soccer goal, baseball backstop, hockey goal or other similar sporting equipment shall be constructed on any Lot, in any driveway or in any Private Streets.

Section 9. All unattached sporting equipment, toys, storage containers, workout equipment, outdoor cooking equipment and other equipment and supplies necessary or convenient to residential living shall be stored on the patio or deck of the Living Unit. Nothing may be erected on or suspended from the exterior of, or hang over, any railings on any of the balconies. The storage or collection of rubbish of any character whatsoever, any material that emits foul or obnoxious odors, the growing of any noxious weed or other noxious substance and the harboring on the source of any noise or activity which disturbs the peace, comfort and serenity of Owners is prohibited. Laundry and clothing shall not be hung outside the Living Unit.

Section 10. No pools or hot tubs shall be allowed, constructed or installed on any Lot unless prior written approval from the Board of Directors of the Association has been granted.

Section 11. Living Unit Owners shall be individually responsible for utility charges for their respective Living Unit, which they incur for electricity, natural gas, water and sewer services, in the same manner as persons occupying single-family, detached homes.

Section 12. No fence shall be allowed to be constructed on any Lot unless prior written approval from the Board of Directors of the Association has been granted. Any such fence so approved by the Association shall be limited to privacy or decorative fences located around the decks or patios of the townhomes or, with regard to the Villas, an underground electrical fence in which outside perimeters are at least ten (10) feet from the property lines.

Section 13. No personal property shall be stored or left upon a Lot except within the residential structure or garage located upon the Lot. Garage doors shall be kept closed except during times of access to the garage.

Section 14. Nothing shall be altered in, constructed in or removed from the Common Area or Common Elements, except upon written consent of the Board of Directors of the Association, which may be given through regulations of the Association.

Section 15. No boat, snowmobile, recreational vehicle, trailer or other vehicle, other than automobiles shall be stored or parked in any driveway or street, including, but not limited to, the Private Streets. The Association may, by regulation or rule, limit or prohibit the parking of automobiles on any driveway or Private Street. In the event of a violation of this provision, the Association may, after reasonable notice, remove such boat, snowmobile, recreational vehicle, trailer or other vehicle at the sole cost and expense of Owner, including the cost of storage.

Section 16. No activity shall be allowed that unduly interferes with the peaceful possession and use of the Property by the Owners nor shall any fire hazard or unsightly accumulation of refuse be allowed.

Section 17. Nothing shall be done or kept in any Lot or in the Common Area or Common Elements which will increase the rate of insurance on the Common Area, Common Elements or the Association Responsibility Elements, without proper written consent of the Board of Directors of the Association. No Owner shall permit anything to be done or kept in his Lot or Common Area which will result in the cancellation of insurance on any Lot or any part of the Common Area, Commons Elements or the Association Responsibility Element, which would be in violation of any law, or which may be or become a nuisance or annoyance to the other Owners.

Section 18. All valid laws, zoning ordinances and regulations of all governmental bodies having

jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance modification or repair of property shall be the same as the responsibility for the maintenance and repair of the property concerned.

Section 19. The Board of Directors of the Association shall have the authority to adopt rules and regulations governing the use of Lots, the Common Area, the Common Elements and the Association Responsibility Elements and the penalties for violations of such rules and regulations and the Declaration, and such rules and regulations and the Declaration shall be observed and obeyed by the Owners, their guests, lessees, assigns and licensees.

Section 20. Agents of or contractors hired by the Board of Directors of the Association may enter any Lot when necessary in connection with any maintenance, landscaping or construction for which the Association is responsible, provided such entry shall be made with as little inconvenience to the Owners as practicable, and may enter any Living Unit after prior notice to the Owner, in connection with any maintenance or construction that requires access to or through the interior of such Living Unit; provided no such notice is required in an emergency if the Owner is not readily available.

Section 21. Neither the Owners nor the Association nor the use of the Common Area or the Common Elements shall interfere with the completion of the contemplated improvements and the sale of the Lots by the Declarant. The Declarant may make such use of the unsold Lots and the Common Area and Common Elements as may facilitate such completion and sale, including, but not limited to, the maintenance of a sales office, model home, the showing of the property and the display of signs.

Section 22. No exterior holiday decorations shall be erected more than six (6) weeks prior to the holiday and all exterior holiday decorations shall be removed within three (3) weeks following the holiday. If the Owner of a Lot has not removed such holiday display within fifteen (15) days after such Owner receives written notice from the Association or from any Owner within five hundred (500) feet of such Lot, the Association shall have the right and easement to enter upon the premises and remove and dispose of the holiday display at the expense of the Owner of the applicable Lot where such holiday display is located, and shall have the right of action against the Owner of the applicable Lot for collection of the cost thereof, plus the reasonable costs, including attorney's fees, of collecting such amount, plus interest at the lesser of (a) twelve percent (12%) per annum or (b) the maximum rate allowed by law, from the date such cost is incurred, and shall have a lien against such Lot from the day an affidavit reciting the giving of such notice, the performance of such work and the cost thereof is filed in the Office of the Recorder for Polk County, Iowa, until such amount, plus the reasonable costs, including attorney's fees of collecting such amount and costs of filing of such lien, incurred by the lienholder is paid.

Section 23. No Waiver. Failure of the Association or any Owner to enforce any covenant, condition or restriction, this Declaration, the Articles of Incorporation, or Bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

ARTICLE XV **GENERAL PROVISIONS**

Section 1. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the persons in ownership from time to time of the Lots and all parties claiming under them, and the Association shall have the right to enforce the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorney's fees and the costs and expenses incurred as a result thereof.

Section 2. Amendment. Declarant may amend this Declaration at any time without the approval by the other Owners so long as Declarant has any ownership interest in any Lot. Thereafter, this Declaration may be amended or changed at any time by an instrument recorded in the Office of the Recorder for Polk County, Iowa, signed or approved in writing by at least two-thirds of the then Owners.

This Declaration may also be amended by Declarant, if it then has any ownership interest in the Property, at any time within four (4) years after the recordation hereof in order to satisfy the requirements of any of the Federal Mortgage Agencies. Any such amendments shall be recorded and shall be subject to the prior written approval of any of the Federal Mortgage Agencies having an interest in the Property or any portion thereof.

Section 3. Covenants Binding and Running with the Land: Duration. Each of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be binding upon and inure to the benefit of Declarant, the Association, and the Owners of each Lot in the Property, and their successors and assigns and all parties and persons claiming under any of them, and shall be deemed covenants that run with the land, and shall continue for the applicable periods specified in this Declaration.

The easements granted in or pursuant to this Declaration, any other provisions of this Declaration expressly incorporated in any Section of this Declaration granting such easements to the extent applicable to such easements, and any other covenants, indentures, restrictions and reservations of this Declaration that are reasonably or necessarily incidental to the benefit or burden of such easement rights, including any rights of assessment or for liens for the payment of costs associated therewith, shall continue in perpetuity, unless sooner modified or terminated as provided in this Declaration. The party wall provisions of Article X of this Declaration shall continue in perpetuity.

Except as provided in the preceding paragraph of this Section, the covenants, indentures, restrictions and reservations in this Declaration shall be for an initial period of twenty-one (21) years from the date of recordation in the Office of the Recorder of Polk County, Iowa, and shall automatically extend for successive periods of twenty-one (21) years each unless prior to the expiration of any such twenty-one-year period it is amended or changed in whole or part as hereinabove provided. Invalidation of any of the covenants, conditions and restrictions of this Declaration by judgment of decree shall in no way affect any of the provisions hereof, but the same shall remain in full force and effect.

It is the intent that, notwithstanding anything in the Code of Iowa to the contrary, all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be covenants running with the land for the full period specified in this Declaration without further action by either Declarant, the Association, or any Owner of any Lot in The Greens at Woodland Hills Villas. However, in the event that Section 614.24 of the Code of Iowa, as the same may be amended or replaced, may require that a verified claim be filed in the Office of the Recorder for Polk County, Iowa prior to the twenty-first anniversary of the date of this Declaration or the twenty-first anniversary of the last filing of such verified claim in order to continue all or some of the covenants of this Declaration, including, but not limited to, any covenant, term, provision or restriction that is or may be considered a use restriction, reversion or right of reverter, in effect throughout the applicable periods specified in this Declaration, then:

- (a) the Association, or the Owners of the Lots acting jointly or severally, may file all verified claims necessary to keep all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration, and each Owner of a Lot, by virtue of its acceptance of a deed to such Lot, shall be deemed to have granted a power of attorney to the Association, as the agent or attorney in fact for such Owner, to file such verified claim on behalf of such Owner, which power of attorney is coupled with an interest and irrevocable;

(b) a verified claim filed by the Association or any Owner of a Lot in the Villas at Woodland Hills shall be valid and binding upon the Association and all the then Owners of Living Units in the Villas at Woodland Hills, (the "Interested Parties"), and their successors and assigns, with the same effect as if executed by *all* such persons, and in order to facilitate filing of any verified claim required to so continue all or any of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration in full force and effect, the Association and each Owner of a Lot is hereby irrevocably appointed the attorney-in-fact for all of the other Interested Parties for the purpose of filing any such verified claim;

(c) that in the event of any defect in the verified claim or its filing and recording in the Office of the Recorder for Polk County, Iowa, no interested person or anyone claiming, by, through or under an interested person shall be entitled to assert such defect as a basis to avoid its duties and obligations under this Declaration unless, if such defect is in a claim prepared by any interested party, such defect is not corrected within thirty (30) days after notice of such defect to all interested parties;

(d) that in the event an interested party fails or refuses to cooperate to file any verified claim required to continue all or any of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration in full force and effect, such interested party hereby waives and shall be deemed to have waived the right to, and be estopped to, assert any failure to file such verified claim as a defense to its duties and obligations under this Declaration; and

(e) that each interested party by acquisition of its interest in the Villas at Woodland Hills or under this Declaration, whether or not expressly provided in any instrument creating such interest, hereby waives its right to assert the failure to file any verified claim required by the Code of Iowa as a legal basis to avoid any duty or obligation upon it and its respective portion of the Villas at Woodland Hills throughout the applicable period specified in this Declaration.

Section 4. Notice to Mortgagees. The Association, upon request, shall provide written notification to any lender holding a first mortgage upon any Lot specifying the defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation of the Association, its Bylaws or any other applicable documents which default has not been cured within sixty (60) days. The Owners shall provide, upon request by the Association, the name, address and loan numbers of any mortgage placed upon their property.

ARTICLE XVI LIMITATION OF LIABILITY

Section 1. Limitation of Liability. Declarant shall not be liable to the Association or any Owner for damages or repairs to:

(a) Any Private Streets, sidewalk, driveway, curbs, stoop or other concrete improvement located within the Property, including, but not limited to, cracking or chipping that may occur due to weather conditions; or

(b) Any Living Unit beyond the express warranties set forth in the homeowner's warranty provided to the original Owner of such Living Unit; or

(c) Any appliances within any Living Unit, including, but not limited to, the furnace, air conditioner, stove, oven, microwave, dishwasher, and garbage disposal, beyond the express

warranties set forth in the manufacturer's warranty provided to the original owner.

ARTICLE XVII
DISCLAIMER OF WARRANTIES

Section 1. Except for those warranties expressly provided in writing, to the maximum extent permitted by law, Declarant hereby disclaims any and all and each and every express or implied warranties provided by law, as to the design, construction, sound and/or odor transmission, existence and/or development of molds, mildew, toxins or fungi, furnishing and equipping of the Property, including, without limitation, any implied warranties of habitability, fitness for a particular purpose or merchantability, compliance with plans. Each Owner acknowledges that Declarant has not given and the Owner has not relied on or bargained for any such warranties. Each Owner, by accepting a deed to a Lot, or other conveyance thereof, shall be deemed to represent and warrant to Declarant that (i) in deciding to acquire the Living Unit, the Owner relied solely on such Owner's independent inspection of the Living Unit and the Property and (ii) the Owner has not received nor relied on any warranties and/or representations from Declarant of any kind, other than as expressly provided for herein.

All Owners, by virtue of their acceptance of title to their respective Living Units (whether from Declarant or another party) shall be deemed to have automatically waived all of the aforesaid disclaimed warranties and incidental and consequential damages that the Owner would have otherwise had arising out of any breach of any of said waived warranties. The foregoing shall also apply to any party claiming by, through or under an Owner, including a tenant thereof.

All Owners acknowledge that molds, mildews, toxins and fungi, may exist and/or develop within the Living Unit and/or the Property. Each Owner is hereby advised that certain molds, mildews, toxins and/or fungi may be, or if allowed to remain for a sufficient period may become, toxic and potentially cause a health risk. By acquiring title to a Living Unit and Lot, each Owner shall be deemed to have assumed the risks associated with molds, mildew, toxins and/or fungi and to have released Declarant from any and all liability resulting from same.

Each Owner, by acceptance of a deed or other conveyance of a Living Unit, acknowledges and agrees that there are various methods for calculating the square footage of a Living Unit, and that depending on the method of calculation, the quoted square footage of the Living Unit may vary by not more than a nominal amount. Each Owner acknowledges that actual square footage of a Living Unit may have changed from the contemplated square footage in connection with the construction of the Living Units. By accepting title to a Living Unit, the applicable Owner(s) shall be deemed to have conclusively agreed to accept the size and dimensions of the Living Unit, regardless of any variances in the square footage from that which may have been disclosed at any time prior to closing. Without limiting the generality of this Article XVII, Declarant does not make any representation or warranty as to the actual size, dimensions or square footage of any Living Unit.

For as long as Declarant remains liable under warranty, whether statutory, express or implied, for act or omission of Declarant in the development, construction, sale and marketing of the The Greens at Woodland Hills Villas and Living Units located therein, then Declarant and its contractors, agents and designees shall have the right, in Declarant's sole discretion and from time to time, to enter the Villas at Woodland Hills Project and Living Units located therein for the purpose of inspecting, testing and surveying same to determine the need for repairs, improvements and/or replacements, and effecting same, so that Declarant can fulfill any of its warranty obligations. Nothing herein shall be deemed or construed as Declarant making or offering any warranty, all of which are disclaimed (except to the extent same may not be) as set forth in this Article XVII.

All manufacturers' warranties will be passed through to the buyer of a Living Unit at closing with Declarant and all items covered by manufacturers' warranties are expressly not warranted by Declarant.

If the Owner undertakes structural alteration or replacement of components of the Living Unit, even with consent of the Association, then the Owner hereby agrees that the Owner has waived and relinquished any claim for breach of an implied or statutory warranty for fitness for a particular purpose, merchantability and habitability pertaining to the component altered or replaced by the Owner.

This Declaration, including, but not limited to, this Article XVII shall survive (continue to be effective after) closing of the purchase of any Living Unit and shall not be merged with the delivery of the title to any Living Unit at closing.

ARTICLE XVII
