All remedies provided for in this Declaration or which are otherwise available at law or in equity shall be cumulative. Neither Declarant, the Association nor any Owner of a Lot that is subject to the terms of this Declaration shall have any liability to any person or entity for any failure to enforce any provision of this Declaration.

Neither the Declarant nor the Association, nor their respective members, shareholders, directors, managers, officers, employees, agents and representatives shall have any liability to or for damages of any sort to any Owner or Occupant or to any other person or entity for any exercise or failure to exercise any right or duty or obligation, if any, of Declarant or Association hereunder, or in any manner arising herefrom, or for the granting of approval or withholding of approval, required or permitted under the terms of this Declaration, except as in Declarant's or the Association's capacity as the Owner of any Lot that is subject to this Declaration. Provided, however, any Owner of a Lot which is subject to this Declaration may exercise any rights such Owner may have against the Declarant or Association or otherwise seek to enforce the conditions, covenants, easements, provisions, restrictions, reservations and terms of this Declaration against such Declarant or the Association, by an action in equity for specific performance or injunctive relief, to which Declarant shall be subject. These remedies of specific performance and injunctive relief, shall be the only remedies available against Declarant or the Association (except as in Declarant's or the Association's capacity as the Owner of any Lot that is subject to this Declaration) for any exercise or failure to exercise any right, duty or obligation, if any, of Declarant or Association hereunder, or in any manner arising herefrom, or for the granting of approval or withholding of approval required or permitted under the terms of this Declaration, all

other remedies being expressly waived by acceptance of a deed to any Lot within Featherstone.

6.08 Condemnation. In the event of any partial taking by a governmental body or other entity that has the power of eminent domain that involves a taking of all or part of improvements to be constructed by Declarant, the Owners of each Lot agree, by acceptance of a deed to such Lot, whether or not it is so expressly stated in such deed, that the Association shall have and shall be deemed to have an interest in proceeds to be paid for such taking in the amount necessary to repair, restore or replace the portion of such improvements so taken as near as practicable to a functional whole to serve the same purpose after such taking as the facility so taken served prior to such taking. To the extent that the Association does not receive its own award or payment from the condemning authority or the award or payment received is inadequate to cover the cost of repair, restoration or replacement of such improvements, the Owners of each Lot receiving such award or payment shall pay to the Association pro rata from their awards or payments the amount necessary for the Association to complete such repair, restoration or replacement of such improvements. In the event that the awards or payments received from such condemnation are inadequate to pay the entire cost to complete such repair, restoration or replacement of such improvements, then the remaining cost shall be assessed against all Owners of Lots in Featherstone in proportion to their respective assessment shares. All amounts due to the Association from the Owners of any Lot shall constitute a lien against the property in question, the same as the lien for the general assessment pursuant to the provisions of Article V hereof, and all interest and remedies applicable to such lien shall apply thereto.

6.09 Estoppel Certificates. The Association shall issue to any Owner of a Lot or to any mortgagee of, or purchaser from, any Owner of a Lot, an Affidavit Explanatory of Title or Estoppel Certificate in such form as may reasonably be requested stating any or all of the following information:

- (a) whether the Association knows of any default under this Declaration by the Owner of such Lot, and if there are known defaults, specifying the nature thereof;
- (b) the nature of any amounts owed to the Association by any Owner about whose Lot the request is made, and the nature of any amounts owed by the Association to the Owner about whose Lot the request is made;
- (c) the applicable share of any assessments for which the Owner about whose Lot the request is made is liable;
- (d) the nature and amount of any budget or approved expenditures that have been adopted by the Association;
- (e) whether this Declaration has been amended, and if so, the nature of any such amendment;

- (f) whether the Association claims any offsets or defenses to any amounts owed by it under this Declaration to the Owner of such Lot, and if so, the nature of such offsets or defenses; and
- (g) whether this Declaration is in full force and effect, or if it is claimed it is not in full force and effect, specifying the portions of, or manner in which, this Declaration is not in full force and effect.

The Association shall be entitled to establish a reasonable fee for the provision of a certificate in accordance with the foregoing provisions and may condition the delivery of such certificate upon the payment of the applicable fee.

6.10 Covenants Binding and Running with the Land. Each of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be binding upon and inure to the benefit of Declarant, the Association, and the Owners of each Lot in Featherstone, and their successors and assigns and all parties and persons claiming under any of them, and shall be deemed covenants that run with the land, and shall continue for the applicable periods specified in this Declaration.

It is the intent that, notwithstanding anything in the Code of Iowa to the contrary, all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be covenants running with the land for the full period specified in this Declaration without further action by either Declarant, the Association, or any Owner of any Lot in Featherstone. However, in the event that Section 614.24 of the Code of Iowa, as the same may be amended or replaced, may require that a verified claim be filed in the Office of the Recorder for Polk County, Iowa prior to the twenty-first anniversary of the date of this Declaration or the twenty-first anniversary of the last filing of such verified claim in order to continue all or some of the covenants of this Declaration, including, but not limited to, any covenant, term, provision or restriction that is or may be considered a use restriction, reversion or right of reverter, in effect throughout the applicable periods specified in this Declaration, then:

- (a) the Association, or the Owners of the Lots acting jointly or severally, shall file all verified claims necessary to keep all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration;
- (b) a verified claim filed by the Association or any Owner of a Lot in Featherstone shall be valid and binding upon the Association and all the then Owners of Lots in

Featherstone, (the "Interested Parties"), and their successors and assigns, with the same effect as if executed by all such persons, and in order to facilitate filing of any verified claim required to so continue all or any of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration in full force and effect, the Association and each Owner of a Lot is hereby irrevocably appointed the attorney-in-fact for all of the other Interested Parties for the purpose of filing any such verified claim;

(c) that in the event of any defect in the verified claim or its filing and recording in the Office of the Recorder for Polk County, Iowa, no interested person or anyone claiming, by, through or under an interested person shall be entitled to assert such defect as a basis to avoid its duties and obligations under this Declaration unless, if such defect is in a claim prepared by any interested party, such defect is not corrected within thirty (30) days after notice of such defect to all interested parties;

(d) that in the event an interested party fails or refuses to cooperate to file any verified claim required to continue all or any of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration in full force and effect, such interested party hereby waives and shall be deemed to have waived the right to, and be estopped to, assert any failure to file such verified claim as a defense to its duties and obligations under this Declaration; and

(e) that each interested party by acquisition of its interest in Featherstone or under this Declaration, whether or not expressly provided in any instrument creating such interest, hereby waives its right to assert the failure to file any verified claim required by the Code of Iowa as a legal basis to avoid any duty or obligation upon it and its respective portion of Featherstone throughout the applicable period specified in this Declaration.

6.11 Duration. The easements granted in or pursuant to Article III of this Declaration or granted in any other Section of this Declaration, any other provisions of this Declaration expressly incorporated in Article III or such other Section of this Declaration to the extent applicable to such easements, and any other covenants, indentures, restrictions and reservations of this Declaration that are reasonably or necessarily incidental to the benefit or burden of such easement rights, including any rights of assessment or for liens for the payment of costs associated therewith, shall continue in perpetuity, unless sooner modified or terminated as provided in this Declaration.

Except as provided in the preceding paragraph of this Section, the covenants, indentures, restrictions and reservations in this Declaration shall be for an initial term of twenty (20) years, and shall automatically renew for successive terms of ten (10) years each, unless sooner modified or terminated.

6.12 Amendment of This Declaration. This Declaration may not be altered, amended, modified, supplemented or terminated, in whole or in part, except in writing

and as provided in this Section. Declarant, for so long as such Declarant retains ownership of any Lot within Featherstone which has no building located thereon, and after Declarant has no interest in Featherstone (other than as an Owner of a developed lot), the Owners possessing sixty percent (60%) or more of the Association voting rights (on issues other than the election and removal of directors) may, by written declaration signed and acknowledged by them and recorded in the Office of the Recorder for Polk County, Iowa, alter, amend, supplement, add to, or terminate such conditions, covenants, indentures, restrictions and reservations of this Declaration, provided, however, that such alteration, supplement, addition, amendment or termination shall insure provisions for the continued operation, maintenance, repair, restoration and replacement of improvements to Featherstone constructed by Declarant, and except that no such alteration, amendment, supplement, addition, or termination may change the manner of assessment of any Owner except in a manner applied uniformly to all Owners. No such alteration, amendment, modification, or change shall reduce or modify the rights or obligations granted to, or imposed upon, the Association with respect to the continued operation, maintenance, repair, restoration and replacement of the Declarant Improvements to Featherstone and the power to levy assessments therefor or to eliminate the requirement that there be an Association unless some other person or entity be substituted for the Association and succeed to all of its rights and duties under this Declaration. It is expressly understood that no such alteration, amendment, supplement, addition, or termination shall require the consent of any Occupant (other than an Owner, and then for such Owner-Occupant only to the extent provided elsewhere in this Section) or any mortgagee of any Lot, or from the City. Notwithstanding the foregoing, neither the Declarant, the Association nor the Owners can amend Article III of this Declaration to amend, terminate or limit the easements granted to the City without the prior written consent of the City nor amend Article III of this Declaration to amend, terminate or limit the easements granted to the City, without the written consent of the City to such amendment.

6.13 No Public Dedication. Nothing contained in the Declaration shall be deemed to be a gift or dedication of any portion of Featherstone to general public, or for the general public, or for any public purpose whatsoever, it being the intention of Declarant that this Declaration shall be strictly limited to and for the benefit of the Owners of the Lots in Featherstone and the purposes herein expressed.

6.14 Release Upon Sale. Subject to the provisions of this Section, if an Owner of a Lot in Featherstone sells, transfers, or assigns its Lot (other than as security for a loan), then it shall be released from its future obligations under this Declaration. It shall be a condition precedent to such release and discharge that any and all amounts that shall then be due and payable by such Owner shall have been paid, and that such Owner shall give written notice to the Association of any such sale, transfer, conveyance, or assignment concurrently with the filing for record of the instrument effecting the same.

Notwithstanding anything in this Declaration to the contrary, it is expressly understood and agreed that any first mortgagee who shall have acquired title to any Lot, or portion thereof, through foreclosure or deed in lieu of foreclosure, shall not be personally liable for any obligations under this Declaration that arose with respect to the obligations of the Owner of such Lot prior to the date such mortgagee acquired title thereto; provided, however, that any existing lien or right to a lien against such Lot allowed by this Declaration or as a result of the enforcement of this Declaration with respect to matters

occurring before such mortgagee so acquired title thereto and shall continue and remain in full force and effect.

6.15 Severability. In the event any provision of this Declaration is held invalid, illegal, or unenforceable, in whole or in part, the remaining provisions of this Declaration shall not be affected thereby and shall continue to be valid and enforceable and if, for any reason, a court finds that any provision of this Declaration is invalid, illegal or unenforceable as written or applied, but that by limiting such provision it would become valid, legal and enforceable, then such provision shall be deemed to be written or applied and shall be construed and enforced as so limited.

6.16 Time of Essence. Time is of the essence with respect to the performance of each of the conditions, covenants, terms and provisions of this Declaration.

6.17 Governing Law. This Declaration shall be construed in accordance with the laws of the State of Iowa.

6.18 Captions. The captions of the Articles, Sections and Subsections of this Declaration are for convenience only and shall not be considered nor referenced in resolving questions of interpretation and construction of this Declaration.

6.19 Additional Common Areas. Declarant shall have the right at any time to convey additional Common Areas to the Association from time to time within the Property. Nothing in this Section, however, shall be deemed to be an obligation on the part of Declarant to convey additional Common Areas to the Association in the future. The Association shall be obligated to accept any additional Common Areas so conveyed by Declarant and to hold and maintain the additional Common Areas pursuant to the terms of this Declaration.

6.20 Subjecting Additional Land to Declaration. Declarant shall have the irrevocable right to subject additional land to the terms of this Declaration at any time in the future without the consent of the Association. The additional land shall be automatically subject to the applicable terms and conditions of this Declaration and Owners of Lots within the additional land shall automatically become Members of the Association in the same fashion as described in this Declaration and shall be subject to the same applicable terms, conditions, duties and assessments as described in this Declaration. Declarant shall signify the addition of land by filing an amendment to this Declaration with the Recorder of Polk County, Iowa. No approval of the Association or any other person shall be necessary.

6.21 Removing Land from Operation of Declaration. Declarant shall have the right now and in the future to remove any portion of the Property from the operation of this Declaration provided that the portion so removed has not yet been platted into individual lots and a plat for that portion has not been filed of record with the Auditor of Polk County, Iowa. Declarant shall signify this removal by filing an amendment to this Declaration with the Recorder of Polk County, Iowa. No approval of the Association or any other person or Owner shall be necessary.
